

# Building Committee Survey - 2009

---

1. What do you like best about the current space at Prince of Peace that you use for your ministry?

I use the corner classroom to count the Sunday offering.

2. What (if anything) makes you feel we need some more space?

I am ok with the space provided.

3. Is your ministry limited by our current space?

No, not at the present time.

4. What would make Prince of Peace a more welcoming space?

I am ok with the current space.

5. How can we improve our church's visibility?

Outside landscaping needs attention.

6. In what ways could your future ministries be improved by adding or changing our current space?

I think we are currently OK.

7. Where to you feel our/your ministry will be in 5 years?

Hopefully we will be 50% larger. Don't think that will happen though.

8. What would make your space more comfortable?

I am ok with current space.

9. Do you have any ideas for better utilizing the space we have outside our buildings?

No

10. Would any of your suggestions change if we evaluated them from an environmental perspective?

No.
