Building Committee Survey - 2009

1. What do you like best about the current space at Prince of Peace that you use for your ministry?

Intimate - We use Steve's Office

2. What is it that makes us feel we need some more space?

His office has become temporary storage while he is away - usually not as cluttered

3. In what way is your ministry limited by our current space?

Not really limited - we fit - good to have small classes - we have used nice computer for our class. so it has worked well

4. What would make Prince of Peace a more welcoming space?

Keeping our public space uncluttered

5. How can we improve our church's visibility?

6. In what ways could our future ministries be improved by adding or changing our current space?

7. Where ^{do} you feel our/your ministry will be in 5 years?

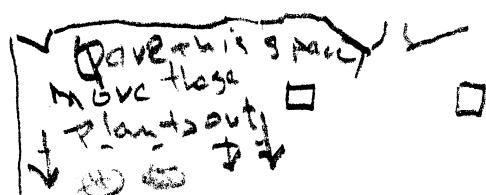

8. What would make our space more comfortable?

more storage

9. Do you have any ideas for better utilizing the space we have outside our buildings?

Back door yard (to left of Backdoor) could be used more as a gathering place - particularly the space

10. Would any of your suggestions change if we evaluated them from an environmental perspective?

under the eaves/overhang perhaps remove the plants and harden it/pave it
