

Building Committee Survey - 2009/2010

1. What do you like best about the current space at Prince of Peace that you use for your ministry?

intimate, open

2. What is it that makes us feel we need some more space?

more rooms for Sunday School classes
Today we overlapped & had to wait for
a room to open up

3. In what way is your ministry limited by our current space?

None really
Well, wait a minute, we need a Bigger
Fellowship hall for large dinner gatherings!

4. What would make Prince of Peace a more welcoming space?

More signage around the building, on doors,
walls, in parking lot, can't have enough for
new members.

5. How can we improve our church's visibility?

I know we can't shave off the bison, so
somehow we need to have continued signage
up front every month all year round. We almost
have it year round - Maybe a New larger Church Sign !!

6. In what ways could our future ministries be improved by adding or changing our current space?

I think if we build, we will grow - we just
keep growing, people love all the activities & choices

7. Where do you feel our/your ministry will be in 5 years? we offer here!

At least 300 ppl attending each Sunday. Aggressive
I know, but doable especially if we focus on the

8. What would make our space more comfortable?

I'm very comfortable.

Lakelands & Kentlands

9. Do you have any ideas for better utilizing the space we have outside our buildings?

~~No~~ Climate Controlled Storage

10. Would any of your suggestions change if we evaluated them from an environmental perspective?

No, ~ NOT sure of what this question means?
